

NEWSLETTER: OCTOBER 2017

October 25, 2017 Public Plans Display Open House

You are Invited

The public is invited to attend a Plans Display Open House meeting on
Wednesday, October 25, 2017

Time: 6:00 - 8:00 PM
Location: East Middle School, 1001 Atkins Street, Erie, PA
Purpose: To present the final design and construction plans for the project

The Consultant Team, City of Erie and PennDOT District 1-0 officials will be available to answer questions.

The meeting location is compliant with the Americans with Disabilities Act. If you require special assistance to attend and/or participate in this meeting or if you or some individual with whom you are familiar does not speak English as their primary language and desires to participate in this meeting, please contact Lisa Olszak Zumstein at (724) 679-9261 or lolszak@olszak.com.

Construction work will include:

- Removal of the viaduct, piers, staircases, and ramps
- Filling-in to grade the removed items above with pavement
- Relocating utilities that interfere with the viaduct removal
- Line striping East Avenue for two-way traffic, including line striping for cul-de-sacs on each end of East Avenue
- Installing fencing along each end of East Avenue to prohibit pedestrians from crossing the railroad
- Widening the sidewalk along the north end of East 12th Street
- Expanding the pedestrian refuge areas at the intersection of the Bayfront Connector and East 12th Street
- Relocating any impacted utilities such as pedestrian push buttons and junction boxes
- Construction of 4 ADA ramps

Project Information

The project focused on the following study intersections:

- ⇒ Bayfront Connector & East 12th Street (signalized intersection)
- ⇒ East 12th Street & East Avenue (signalized intersection)

Overall improvements include:

- ⇒ An improved pedestrian connection which utilizes the Bayfront Connector sidewalk to the intersection of the Bayfront Connector and East 12th Street,
- ⇒ Sidewalk improvements on the northern side of East 12th Street to the intersection of East Avenue.
- ⇒ Pedestrian improvements at East 12th Street and the Bayfront Connector, consisting of new ADA ramps, crosswalks, expanded sidewalk and pedestrian refuge. areas.
